KASASA SAVER CASH BACK

Rate information - At our discretion, we may change the interest rates for this account. **Tier 1** - An interest rate of 0.500% will be paid only for that portion of your daily balance that is \$50,000.01 or more. The annual percentage yield (APY) for this tier will range from 1.00% to 0.67%, depending on the balance in the account. **Tier 2** - An interest rate of 1.000% will be paid on the entire portion of your daily balance that is less than \$50,000.01. The annual percentage yield (APY) for this tier is 1.00%.

The interest rate(s) and annual percentage yield(s) are accurate as of July 15, 2025. If you would like more current rate and yield information, please call us at (507)534-3137. The interest rates and annual percentage yields may change at any time.

Additional Rate Information - The interest rate and APY that apply to your Kasasa Saver account will be determined based on whether you have met the qualification criteria for your Kasasa Cash Back account. When the Kasasa Cash Back qualifications are met, the interest rate on your Kasasa Saver account and corresponding annual percentage yield will be tiered as described above. When the Kasasa Cash Back qualifications are not met, the interest rate on your Kasasa Saver account will be 0.01% and the annual percentage yield will be 0.01%.

Compounding frequency - Interest will be compounded monthly.

Crediting frequency - Interest will be credited into this account monthly.

Effect of closing an account - If you close your account before interest is credited, you will not receive the accrued interest.

Daily balance computation method - Interest is calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of interest on noncash deposits - Interest will begin to accrue on the business day you deposit noncash items (for example, checks) into your account.

Minimum balance to open - The minimum balance required to open this account is \$25.00.

Deposit limitations - You may make an unlimited number of deposits into your account.

Limitations on frequency of transfers - The number of withdrawals or transfers from Kasasa Saver that you make in-person, by mail or at an ATM are unlimited. During your statement cycle, you may also make up to six transfers or payments in the aggregate via pre-authorized withdrawals, online banking service, automatic transfers or at point of sale terminals using your ATM or debit card. These transactions are considered made on the date the transaction posts and settles your account, not the date the withdrawal request was initiated.

See the fee schedule attached for fees that apply to this account.

Fees and Charges - The following fees and charges apply to this account:

• **Dormancy Fee:** If your account is inactive, no transactions for twelve months, your account will be subject to a \$4.00 dormant fee each statement cycle.

Additional Terms - The following additional terms apply to this account:
Account Overview

Kasasa Saver® is a free, variable rate, deposit account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Kasasa Cash Back checking account during each Monthly Qualification Cycle.

Qualifications

To qualify for the preferred rates on your Kasasa Saver account, your linked Kasasa Cash Back account must meet the following qualifications during the Monthly Qualification Cycle:

- Have at least 15 debit card purchases post and settle
- Be enrolled and receive e-statement notice
- Be enrolled and log into online banking

Please note that transactions **MUST** post and settle to your account during the monthly qualification cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more banking days from the date the transaction was made to post and settle to an account. Debit card transactions processed by merchants and received by the bank as ATM transactions do not count towards qualifying debit card transactions. Only debit card transactions processed by merchants and received by the bank as POS transactions count towards qualifying debit card transactions.

"Monthly Qualification Cycle" means a period beginning one banking day prior to the first day of the current statement cycle through one banking day prior to the close of the current statement cycle. Your account will be automatically qualified on that one day prior to the first day of the current statement cycle. What this mean for you is if you did not qualify for the higher preferred rate, you might notice a slightly higher than the base rate APY earned on your statement due to the one day (the last day) being calculated with the higher preferred rate.

"Statement Cycle" means the period of time for which Peoples State Bank provides a summary of the financial activities and transactions that post and settle to the accountholder's account.

Rates and rewards are variable and at our discretion may change after the account is opened without notice to you. Fees may reduce earnings. No minimum balance is required to earn or to receive the account's rewards. Rewards less than a penny cannot be distributed.

Additional Information

Kasasa Cash Back and Kasasa Saver are free accounts that have no minimum balance. You must have a Kasasa Cash Back account in order to open a Kasasa Saver account, and the Kasasa Saver Cash Back account must remain open throughout the period that you hold the Kasasa Saver account. In the event that you or we close your Kasasa Cash Back account, your Kasasa Saver account will be closed as well. When linked to Kasasa Saver, cash back payments and ATM fee reimbursements earned within the Kasasa Cash Back account are credited directly to the Kasasa Saver account on the last day of the current Statement Cycle.

Enrollment in electronic services (e.g. online banking, electronic statements) may be required to meet some of the Kasasa Cash Back qualifications. This account is not to be used for commercial purposes and there is a limit of one account per social security number. There are no fees to open or close this account. There are no recurring monthly service charges associated with this account. See attached fee schedule for fees that apply to this account. Contact a Peoples State Bank service representative for additional information, details and enrollment instructions. Member FDIC. ELECTRONIC FUND TRANSFERS YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Health Savings Accounts (HSA) - Health Savings Accounts (HSA). We permit you (as described below) to access your HSA with a card. This service is offered for the convenience of managing your HSA. However, electronically accessing your HSA - for example, getting additional cash back on an HSA debit card transaction - can raise a variety of tax concerns. As a result, before electronically accessing your HSA make sure you are using the correct card. Also, it is your responsibility to ensure the

contributions, distributions, and other actions related to your HSA, comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA. The terms of this disclosure are intended to work in conjunction with the HSA Agreement provided to you earlier. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

Electronic Fund Transfers Initiated By Third Parties - You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits** - You may make arrangements for certain direct deposits to be accepted into your checking or savings.
- **Preauthorized payments** - You may make arrangements to pay certain recurring bills from your checking or savings.
- **Electronic check conversion** - You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.
- **Electronic returned check charge** - You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

Peoples State Bank ATM Card transactions - types of transactions - You may access your account(s) by ATM using your Peoples State Bank ATM Card and your personal identification number (PIN) to:

- withdraw cash from checking or savings
- transfer funds from checking or savings to savings or checking
- get balance information about checking or savings

Some of these services may not be available at all terminals.

Visa Debit Card ATM transactions - types of transactions - You may access your account(s) by ATM using your Visa Debit Card and your personal identification number (PIN) (as applicable) to:

- deposit funds to checking or savings
- withdraw cash from checking or savings
- transfer funds from checking or savings to savings or checking
- get balance information about checking or savings

Some of these services may not be available at all terminals.

Visa Debit Card point-of-sale transactions - types of transactions - You may access your checking account(s) using your Visa Debit Card to conduct transactions that participating merchants will accept, including:

- purchase goods in person, by phone, or online
- pay for services in person, by phone, or online
- get cash from a participating merchant or financial institution

Currency Conversion and International Transactions - When you use your VISA(R) debit card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the

government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a 1% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. The fee we charge you for international transactions/currency conversions is disclosed separately. An international transaction is a transaction where the country of the merchant is outside the USA.

Advisory Against Illegal Use - You agree not to use your Visa Debit Card for illegal gambling or other illegal purposes. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in the jurisdiction in which you may be located.

Peoples State Bank Online Banking - types of transfers - You may access your accounts at www.PeoplesStateBank.com and using your Access ID and Password to:

- transfer funds from checking or savings or line of credit to savings or checking
- make payments from checking or savings to line of credit or loans
- get balance information about checking, savings, certificate of deposit, line of credit or loans
- get transaction history about checking, savings, certificate of deposit, line of credit or loans

Peoples State Bank Bill Payment - types of transfers -

You may access this service by computer at www.PeoplesStateBank.com and using your Access ID and password.

You may also access this service by Mobile Banking and using the following for access: User ID and Password.

You may access this service to:

- make payments from your checking account(s) to Third Parties

(Some payments made by paper check will not be subject to this Electronic Fund Transfers disclosure, as disclosed separately.)

Peoples State Bank Mobile Banking - types of transfers - You may access your accounts remotely with your mobile phone or tablet via a downloaded Mobile Banking application, through your mobile browser via a hyperlink provided at enrollment, or via text messaging and using your User ID, Password, Responses to multifactor authentication questions and Text messaging commands (available separately). You may use this service to:

- transfer funds from checking or savings to savings or checking
- transfer funds from line of credit to checking or savings
- make payments from checking or savings to line of credit or loans
- make payments from checking to third parties through our online bill pay service
- get balance information about checking, savings, line of credit, certificate of deposit or loans
- get transaction history about checking, savings, line of credit, certificate of deposit or loans
- deposit checks to checking or savings remotely using the Mobile Deposit service - you may not exceed \$5,000.00 per item or \$5,000.00 per day
- make person to person (P2P) payments from your checking account using Zelle (limits apply - see below for details)

Funds transfers are only available through the mobile browser and mobile phone or tablet application options. Mobile Deposit service is only available through the mobile phone and tablet application options. Message or data rates may apply. Your mobile service provider's standard service fees, such as text message fees or similar charges, will apply to all transactions. Check with your service provider for information about these fees. All mobile deposits require the following endorsement "FOR MOBILE DEPOSIT ONLY" and your signature. If your check is missing this endorsement, we may reject your deposit.

Zelle Limits - The maximum transfer limit is \$2,000 per transaction, \$2,000 per day, and \$5,000 per rolling 30-day period. The maximum number of transactions allowed to send money to another person are 15 per day and 30 per month. The maximum number of transactions allowed to request money from another person are 10 per day and 30 per month. (Only available with checking accounts)

Limits and fees - Please refer to our fee disclosure for information about fees and limitations that may apply to these electronic fund transfers.

ATM Operator/Network Fees - When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

Limitations on frequency of transfers - In addition to those limitations on transfers elsewhere described, if any, the following limitations apply to your Savings account(s):

During any calendar month, you may not make more than six withdrawals or transfers to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone order or instruction, or by check, draft, debit card or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to closure by the financial institution.

Termination - You may terminate the electronic fund transfer agreement by giving us written notice. For transfers you preauthorize with a third party, you should revoke authorization by appropriate notice to the third party. We may terminate the electronic fund transfer agreement by giving you written notice.

Documentation

Terminal transfers - You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.

Preauthorized credits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (800)252-3137 to find out whether or not the deposit has been made.

Periodic statements - You will get a monthly account statement from us for your Checking account(s).

You will get a monthly account statement from us for your Savings account(s), unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

Preauthorized Payments

Right to stop payment and procedure for doing so - If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this disclosure in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Notice of varying amounts - If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for failure to stop payment of preauthorized transfer - If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Financial Institution's Liability

Liability for failure to make transfers - If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

Confidentiality

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission.

Unauthorized Transfers

(a) Consumer liability. (1) Generally. Tell us AT ONCE if you believe your card and/or code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all of the money in your account (plus your maximum overdraft line of credit). We will be liable for all unauthorized transfers unless the unauthorized transfer was due to the loss or theft of your card and/or code. If due to the loss or theft of your card and/or code, and you notify us within 60 days of when the unauthorized transfer appears on the statement you can lose no more than \$50 if someone used your card and/or code without permission.

If you do NOT notify us within 60 days after the unauthorized transfer appears on your statement, and we prove that we could have stopped someone from using your card and/or code without your permission if you had told us within 2 days of when you discover the loss or theft of your card and/or code, you could lose as much as \$500 for unauthorized transfers that appear on the statement.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

(2) Additional Limit on Liability for Visa(R) debit card. Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa debit card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by Visa. (Visa is a registered trademark of Visa International Service Association.)

(b) Contact in event of unauthorized transfer. If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check without your permission.

Right to Bring Civil Action

You may bring a civil action against any person violating any provision of Minnesota Statutes section 47.69 (governing consumer privacy and unauthorized withdrawals). If you prevail in such an action, you may recover the greater of your actual damages or \$500. You may also be entitled to recover punitive damages, your court costs and reasonable attorney's fees.

Point-Of-Sale Transactions

Payment for goods or services made in this manner shall not affect any of the rights, protections or liabilities in existing law concerning a cash or credit sale by means other than through the use of a terminal.

You cannot reverse a point-of-sale transaction.

Error Resolution Notice

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if the transfer involved a point-of-sale transaction and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before the account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

If you have inquiries regarding your account, please contact us at:

Notice Of ATM/Night Deposit Facility User Precautions

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in

a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.

7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

1. IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth (for individuals), and other information that will allow us to identify you. We may also ask to see your driver's license (for individuals) or other identifying documents.

2. AGREEMENT - This agreement, along with any other documents we give you pertaining to your account(s), is a contract (also referred to as "this agreement") that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you open the account (whether in-person, electronically, or by any other method permitted by us) or continue to use the account after receiving a notice of change or amendment, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this agreement. If you have any questions, please ask us.

This agreement is subject to applicable federal laws, the laws of the state in which our office is located and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this agreement is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this agreement is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in

writing either on the signature card for your account or in some other document. Nothing in this agreement is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this agreement the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this agreement are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this agreement should be construed so the singular includes the plural and the plural includes the singular.

"Party" means a person who, by the terms of the account, has a present right, subject to request, to payment from a multiple-party account other than as an agent. A P.O.D. payee is a party only after the account becomes payable by reason of the payee surviving the original party. Unless the context otherwise requires, it includes a guardian, conservator, personal representative, or assignee, including an attaching creditor, of a party. It also includes a person identified as a trustee (of a trust created by a separate agreement) of an account for another whether or not a beneficiary is named, but it does not include any named beneficiary unless the beneficiary has a present right of withdrawal.

3. LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and we can deduct any amounts deposited into the account and apply those amounts to the shortage. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

4. DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of endorsement or lack of endorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which is later returned to us due to an allegedly forged, unauthorized or missing endorsement, claim of alteration, encoding error, counterfeit cashier's check or other problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and in attempting to collect we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them.

If you deliver a deposit to us and you will not be present when the deposit is counted, you must provide us an itemized list of the deposit (deposit slip). To process the deposit, we will verify and record the deposit, and credit the deposit to the Account. If there are any discrepancies between the amounts shown on the itemized list of the deposit and the amount we determine to be the actual deposit, we will notify you of the discrepancy. You will be entitled to credit only for the actual deposit as determined by us, regardless of what is stated on the itemized deposit slip.

We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check or draft for deposit, we may require any third-party endorsers to verify or guarantee their endorsements, or endorse to verify or guarantee their endorsements, or endorse in our presence.

5. WITHDRAWALS - Generally - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at

any time. Each of you (until we receive written notice to the contrary) authorizes each other person who so signs or has authority to make withdrawals to endorse any item payable to you or your order for deposit to this account or any other transaction with us.

Postdated checks - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount and payee of the item.

Checks and withdrawal rules - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified.

Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

Cash Withdrawals - We recommend you take care when making large cash withdrawals because carrying large amounts of cash may pose a danger to your personal safety. As an alternative to making a large cash withdrawal, you may want to consider a cashier's check or similar instrument. You assume full responsibility of any loss in the event the cash you withdraw is lost, stolen, or destroyed. You agree to hold us harmless from any loss you incur as a result of your decision to withdraw funds in the form of cash.

Multiple signatures, electronic check conversion, and similar transactions - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the signatures or otherwise examine the original check or item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

Notice of withdrawal - We reserve the right to require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit or demand deposit, or from any other savings account as defined by Regulation D. (The law requires us to reserve this right, but it is not our general policy to use it.) Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your separately provided notice of penalty for early withdrawal.

6. UNDERSTANDING AND AVOIDING OVERDRAFT AND NONSUFFICIENT FUNDS (NSF) FEES -

Generally - The information in this section is being provided to help you understand what happens if your account is overdrawn. Understanding the concepts of overdrafts and nonsufficient funds (NSF) is important and can help you avoid being assessed fees or charges. This section also provides contractual terms relating to overdrafts and NSF transactions.

An overdrawn account will typically result in you being charged an overdraft fee or an NSF fee. Generally, an overdraft occurs when there is not enough money in your account to pay for a transaction, but we pay (or cover) the transaction anyway. An NSF transaction is slightly different. In an NSF transaction, we do not cover the transaction. Instead the transaction is rejected and the item or requested payment is returned. In either situation, we can charge you a fee.

Determining Your Available Balance - We use the "available balance" method to determine whether your account is overdrawn, that is, whether there is enough money in your account to pay for a transaction. Importantly, your "available" balance may not be the same as your account's "actual" balance. This means an overdraft or an NSF transaction could occur regardless of your account's actual balance.

Your account's actual balance (sometimes called the ledger balance) only includes transactions that have settled up to that point in time, that is, transactions (deposits and payments) that have posted to your account. The actual balance does not include outstanding transactions (such as checks that have not yet cleared and electronic transactions that have been

authorized but which are still pending). The balance on your periodic statement is the ledger balance for your account as of the statement date.

As the name implies, your available balance is calculated based on the money "available" in your account to make payments. In other words, the available balance takes transactions that have been authorized, but not yet settled, and subtracts them from the actual balance. In addition, when calculating your available balance, any "holds" placed on deposits that have not yet cleared are also subtracted from the actual balance.

For more information on how holds placed on funds in your account can impact your available balance, read the subsection titled "A Temporary Debit Authorization Hold Affects Your Account Balance".

Overdrafts - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying, or not paying, discretionary overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time (sometimes referred to as "everyday") debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

Nonsufficient Funds (NSF) Fees - If an item drafted by you (such as a check) or a transaction you set up (such as a preauthorized transfer) is presented for payment in an amount that is more than the amount of money available in your account, and we decide not to pay the item or transaction, you agree that we can charge you an NSF fee for returning the payment. Be aware that such an item or payment may be presented multiple times and that we do not monitor or control the number of times a transaction is presented for payment. You agree that we may charge you an NSF fee each time a payment is presented if the amount of money available in your account is not sufficient to cover the payment, regardless of the number of times the payment is presented.

Payment Types - Some, but not necessarily all, of the ways you can access the funds in your account include debit card transactions, automated clearing house (ACH) transactions, and check transactions. All these payment types can use different processing systems and some may take more or less time to post. This information is important for a number of reasons. For example, keeping track of the checks you write and the timing of the preauthorized payments you set up will help you to know what other transactions might still post against your account.

For information about how and when we process these different payment types, see the "Payment Order of Items" subsection below.

Important information regarding "decoupled" cards - Decoupled debit cards are debit cards offered or issued by an institution or merchant other than us. As part of the issuing process, you provide the decoupled debit card issuer with the information it needs to link the decoupled debit card to your account with us. Once this is done, you can typically use the decoupled debit card as you would any other debit card. Importantly, however, while transactions initiated with these decoupled debit cards may originate as debit card transactions paid by the card issuer, we receive and process them as ACH transactions. Additionally, you need to refer to your agreement with the decoupled debit card issuer to understand the terms of use for that card. Thus, when our documentation refers to "debit cards," "everyday debit card transactions," or "one-time debit card transactions," we are referring to debit cards issued by us, not decoupled debit cards issued by other institutions or merchants. Different payment types can use different processing systems and some may take more or less time to post. Knowing which card you are using and how the transaction is processed can help you manage your finances, including helping you to avoid overdraft or NSF fees.

Balance Information - Keeping track of your balance is important. You can review your balance in a number of ways including reviewing your periodic statement, reviewing your balance online, accessing your account information by phone, or coming into one of our branches.

Funds Availability - Knowing when funds you deposit will be made available for withdrawal is another important concept that can help you avoid being assessed fees or charges. Please see our funds availability disclosure (generally titled, "Your Ability to Withdraw Funds") for information on when different types of deposits will be made available for withdrawal. For an account to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the times we receive

the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

A Temporary Debit Authorization Hold Affects Your Account Balance - On debit card purchases, merchants may request a temporary hold on your account for a specified sum of money when the merchant does not know the exact amount of the purchase at the time the card is authorized. The amount of the temporary hold may be more than the actual amount of your purchase. Some common transactions where this occurs involve purchases of gasoline, hotel rooms, or meals at restaurants. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase, but it could be three calendar days, or even longer in some cases, before the adjustment is made. Until the adjustment is made, the amount of funds in your account available for other transactions will be reduced by the amount of the temporary hold. If one or more transactions are presented for payment in an amount greater than the funds left after the deduction of the temporary hold amount, you will be charged an NSF or overdraft fee according to our NSF or overdraft fee policy, which may result in one or more overdraft or NSF fees. You will be charged the fee even if you would have had sufficient funds in your account if the amount of the hold had been equal to the amount of your purchase.

Payment Order of Items - The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. The payment order can affect the number of items overdrawn or returned unpaid and the amount of the fees you may have to pay.

If a check, item or transaction (other than an ATM or everyday debit card transaction) is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item for insufficient funds (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere, as are your rights to opt in to overdraft services for ATM and everyday debit card transactions, if applicable. We encourage you to make careful records and practice good account management. This will help you to avoid creating items without sufficient funds and potentially incurring the resulting fees.

7. OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts unless otherwise prohibited by law. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds. **SINGLE-PARTY ACCOUNT** - Such an account is owned by one party. **MULTIPLE-PARTY ACCOUNT** - Parties own account in proportion to net contributions unless there is clear and convincing evidence of a different intent.

RIGHTS AT DEATH - SINGLE-PARTY ACCOUNT - At the death of a party, ownership passes as part of the party's estate. **MULTIPLE-PARTY ACCOUNT WITH RIGHT OF SURVIVORSHIP** - At death of party, ownership passes to the surviving party or parties. **MULTIPLE-PARTY ACCOUNT WITHOUT RIGHT OF SURVIVORSHIP** - At death of party, deceased party's ownership passes as part of deceased party's estate. **SINGLE-PARTY ACCOUNT WITH PAY-ON-DEATH DESIGNATION** - At death of the party, ownership passes to the designated pay-on-death beneficiaries and is not part of the party's estate. **MULTIPLE-PARTY ACCOUNT WITH RIGHT OF SURVIVORSHIP AND PAY-ON-DEATH DESIGNATION** - At death of last surviving party, ownership passes to the designated pay-on-death beneficiaries and is not part of the last surviving party's estate.

8. BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

You further represent that, if you are required by law to do so, you have filed, or will file, the initial Beneficial Ownership Information (BOI) Report with the Financial Crimes Enforcement Network (FinCEN) and, if appropriate, that you have or will update any previously filed BOI Report with FinCEN. You agree to notify us of any initial, updated, or corrected BOI Report that you file with FinCEN.

If you have filed, or will file, a BOI Report with FinCEN, you consent to us accessing such BOI data now and on an ongoing basis, as long as a banking relationship between you and us continues. You acknowledge that your consent permits FinCEN to disclose such information to us to facilitate compliance with our customer due diligence requirements under applicable law. You may revoke your consent at any time. However, you agree that we may treat your revocation as terminating our banking relationship with you. If we terminate our banking relationship with you, we will provide reasonable notice to you in accordance with applicable law or our policy.

9. STOP PAYMENTS - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Your stop payment order is effective for six months if it is given to us in writing or by another type of record (Generally, a "record" is information that is stored in such a way that it can be retrieved and can be heard or read and understood - you can ask us what type of stop payment records you can give us).

Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral your stop-payment order will lapse after 14 calendar days if it is not confirmed in writing or by another type of record within that time period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

10. TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Limitations on the number of telephonic transfers from a savings account, if any, are described elsewhere.

11. AMENDMENTS AND TERMINATION - We may amend or delete any term of this agreement. We may also add new terms to this agreement. In addition, we may suspend, modify, convert, or terminate a service, convert this account to another account type, or close this account for any reason. For any of these types of changes, we will give you reasonable notice in writing by any reasonable method including by mail, by any electronic communication method to which you have agreed, on or with a periodic statement, or through any other method permitted by law. If we close the account, we will tender the account balance to you or your agent personally, by mail, or by another agreed upon method.

Reasonable notice depends on the circumstances, and in some cases, such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change becomes effective. For instance, if we suspect fraudulent activity with respect to your account, and if we deem it appropriate under the circumstances and necessary to prevent further fraud, we might immediately freeze or close your account and then give you notice.

Unless otherwise indicated in the notice of change, if we have notified you of a change to your account, and you continue to have your account after the effective date of the change, you have accepted and agreed to the new or modified terms. You should review any change in terms notice carefully as the notice will provide important information of which you may need to be aware.

We reserve the right to waive any term of this agreement. However, such waiver shall not affect our right to enforce the term at a later date.

If you request that we close your account, you are responsible for leaving enough money in the account to cover any outstanding items or transactions to be paid from the account. Once any outstanding items or transactions are paid, we will close the account and tender the account balance, if any, to you or your agent personally, by mail, or by another agreed upon method.

Any items and transactions presented for payment after the account is closed may be dishonored. Any deposits we receive after the account is closed may be returned. We will not be liable for any damages for not honoring any such debits or deposits received after the account is closed.

Note: Rules governing changes in interest rates are provided separately in the Truth-in-Savings disclosure or in another document. In addition, for changes governed by a specific law or regulation, we will follow the specific timing and format notice requirements of those laws or regulations.

12. CORRECTION OF CLERICAL ERRORS - Unless otherwise prohibited by law, you agree, if determined necessary in our reasonable discretion, to allow us to correct clerical errors, such as obtaining your missing signature, on any account documents or disclosures that are part of our agreement with you. For errors on your periodic statement, please refer to the STATEMENTS section.

13. NOTICES - Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive any notice in time to have a reasonable opportunity to act on it. If a notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Notice we give you via the United States Mail is effective when it is deposited in the United States Mail with proper postage and addressed to your mailing address we currently have on file. Notice we give you through your email of record, or other electronic method to which you agreed, will be treated as delivered to you when sent. Notice to any of you is notice to all of you.

14. STATEMENTS - Your Duty to Report Unauthorized Signatures (including forgeries and counterfeit checks) and alterations on checks and other items - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures (including forgeries and counterfeit checks) or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures or alterations in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your Duty to Report Other Errors or Problems - In addition to your duty to review your statements for unauthorized signatures and alterations, you agree to examine your statement with reasonable promptness for any other error or problem - such as an encoding error or an unexpected deposit amount. Also, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing endorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours.

Errors Relating to Electronic Fund Transfers or Substitute Check - For information on errors relating to electronic fund transfers (e.g., online, mobile, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

Duty to Notify if Statement Not Received - You agree to immediately notify us if you do not receive your statement by the date you normally expect to receive it. Not receiving your statement in a timely manner is a sign that there may be an issue with your account, such as possible fraud or identity theft. Absent a lack of ordinary care by us, a failure to receive your statement in a timely manner does not extend the time you have to conduct your review under this agreement.

15. ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

16. REIMBURSEMENT OF FEDERAL BENEFIT PAYMENTS - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other available legal remedy to recover the amount of our liability.

17. TEMPORARY ACCOUNT AGREEMENT - If the account documentation indicates that this is a temporary account agreement, each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

18. SETOFF - We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt any of you owe us now or in the future. If this account is owned by one or more of you as individuals, we may set off any funds in the account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

This right of setoff does not apply to this account if prohibited by law. For example, the right of setoff does not apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of setoff.

19. AGENCY (POWER OF ATTORNEY) DESIGNATION - Agents may make account transactions on behalf of the parties, but have no ownership or rights at death unless named as Pay-on-Death beneficiaries. Owners do not give up any rights to act on the account, and the agent may not in any manner affect the rights of owners or beneficiaries, if any, other than by withdrawing funds from the account. Owners are responsible for any transactions of the agent. We undertake no obligation to monitor transactions to determine that they are on behalf of the owners.

We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the agency, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of an agent.

For accounts owned by a single individual, the owner may terminate the agency at any time, and the agency is automatically terminated by the death of the owner.

If our policy allows for the designation of an agent on an account with multiple owners (and without any multiple signatures requirement), then the following rules apply: Each owner individually authorizes the agent to act on his/her behalf. Any one owner may revoke or terminate the authority, and the agent's authority to access the account will continue only as long as no owner has revoked authorization. If no other event terminates the agency, the agency is terminated upon the death of the last surviving owner.

20. RESTRICTIVE LEGENDS OR ENDORSEMENTS - The automated processing of the large volume of checks we receive prevents us from inspecting or looking for restrictive legends, restrictive endorsements or other special instructions on every check. For this reason, we are not required to honor any restrictive legend or endorsement or other special instruction placed on checks you write unless we have agreed in writing to the restriction or instruction. Unless we have agreed in writing, we are not responsible for any losses, claims, damages, or expenses that result from your placement of these restrictions or instructions on your checks. Examples of restrictive legends placed on checks are "must be presented within 90 days" or "not valid for more than \$1,000.00." The payee's signature accompanied by the words "for deposit only" is an example of a restrictive endorsement.

21. FACSIMILE SIGNATURES - Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

22. PLEDGES - Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

23. POWER OF ATTORNEY - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by

allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not "durable," it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

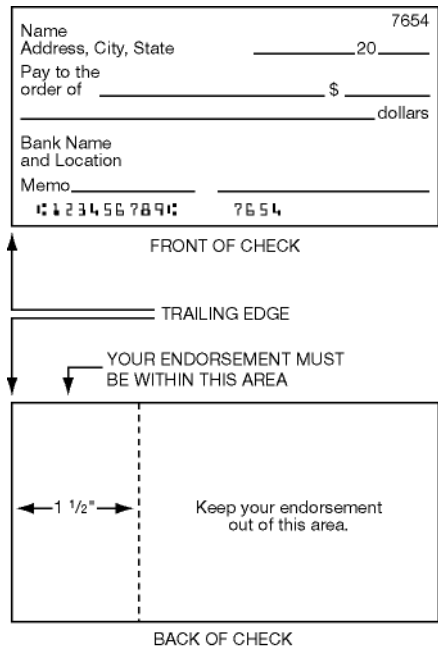

24. STALE-DATED CHECKS - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

25. FDIC INSURANCE - Funds in your account(s) with us are insured by the Federal Deposit Insurance Corporation (FDIC) and backed by the full faith and credit of the United States. The amount of insurance coverage you have depends on the number of accounts you have with us that are of different "ownership." An individual account is one unique form of "ownership"; a joint account, a pay-on-death account, and a self directed qualified retirement account (e.g., an IRA) are examples of some of the others. Deposit insurance for a person's self directed qualified retirement account is up to \$250,000. (An IRA is a self directed qualified retirement account as is any account where the owner decides where and how to invest the balance.) Funds are insured to \$250,000 per depositor for the total of funds combined in all of your other insured accounts with us. If you want a more detailed explanation or additional information, you may ask us or contact the FDIC. You can also visit the FDIC website at www.fdic.gov and click on the Deposit Insurance link. The link includes detailed contact information as well as a deposit insurance estimator.

26. ENDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not endorsed by you. We may give cash back to any one of you. We may supply any missing endorsement(s) for any item we accept for deposit or collection, and you warrant that all endorsements are genuine.

To ensure that your check or share draft is processed without delay, you must endorse it (sign it on the back) in a specific area. Your entire endorsement (whether a signature or a stamp) along with any other endorsement information (e.g. additional endorsements, ID information, driver's license number, etc.) must fall within 1 1/2" of the "trailing edge" of a check. Endorsements must be made in blue or black ink, so that they are readable by automated check processing equipment.

As you look at the front of a check, the "trailing edge" is the left edge. When you flip the check over, be sure to keep all endorsement information within 1 1/2" of that edge.

It is important that you confine the endorsement information to this area since the remaining blank space will be used by others in the processing of the check to place additional needed endorsements and information. You agree that you will indemnify, defend, and hold us harmless for any loss, liability, damage or expense that occurs because your endorsement, another endorsement or information you have printed on the back of the check obscures our endorsement.

These endorsement guidelines apply to both personal and business checks.

27. UNCLAIMED PROPERTY - The law establishes procedures under which unclaimed property must be surrendered to the state. (We may have our own rules regarding dormant accounts, and if we charge a fee for dormant accounts it will be disclosed to you elsewhere.) Generally, the funds in your account are considered unclaimed if you have not had any activity or communication with us regarding your account over a period of years. Ask us if you want further information about the period of time or type of activity that will prevent your account from being unclaimed. If your funds are surrendered to the state, you may be able to reclaim them, but your claim must be presented to the state. Once your funds are surrendered, we no longer have any liability or responsibility with respect to the funds.

28. DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate official) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

29. CASH TRANSACTION REPORTING - To help law enforcement agencies detect illegal activities, the law requires all financial institutions to gather and report information on some types of cash transactions. If the information we need to complete the report is not provided, we are required to refuse to handle the transaction. If you have any questions regarding these rules, U.S. Treasury Financial Crimes Enforcement Network (FinCEN) maintains a frequently asked questions (FAQ) document online. The FAQ also includes additional information for contacting FinCEN.

30. BACKUP WITHHOLDING/TIN CERTIFICATION - Federal tax law requires us to report interest payments we make to you of \$10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

31. CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

32. CHANGING ACCOUNT PRODUCTS - We may change your account to another product offered by us at any time by giving you notice that your account will be changed to another product on a specified date. If your account is a time account, the change will not occur before the next maturity date of your account. If you do not close your account before the date specified in the notice, we may change your account to that other product on the date specified in the notice.

33. TRANSACTIONS BY MAIL - You may deposit checks (including share drafts) by mail. You should endorse the item being sent through the mail with the words "For Deposit Only" and should include your correct account number underneath to ensure the item is credited to the correct account. You should use the pre-encoded deposit slips found in your checkbook. If you do not use your deposit slip or provide us with instructions indicating how or where the item should be credited, we may apply it to any account or any loan balance you have with us or we may return the item to you. Receipts for such transactions will be mailed to you only if a self-addressed stamped envelope is provided. Following your deposit, examine your statement carefully or call us to ensure that we received the item. Do not send cash through the mail for deposit.

34. LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action as required by applicable law. However, nothing in this agreement shall be construed as a waiver of any rights you may have under applicable law with regards to such legal action. Subject to applicable law, we may,

in our sole discretion, choose to freeze the assets in the account and not allow any payments or transfers out of the account, or take other action as may be appropriate under the circumstances, until there is a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action and applicable law. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees, and our internal expenses) may be charged against your account, unless otherwise prohibited by applicable law. The list of fees applicable to your account(s) - provided elsewhere - may specify additional fees that we may charge for responding to certain legal actions.

35. CHECK PROCESSING - We process items mechanically by relying almost exclusively on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and endorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have exercised ordinary care if our automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of endorsements unless you notify us in writing that the check requires multiple endorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

36. CHECK STORAGE AND COPIES - You agree that you will not receive your canceled checks. We will store your canceled checks or copies of them for a reasonable retention period. You may request copies from us in the manner we require.

37. CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

38. TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

39. ACCOUNT SECURITY - Your Duty to Protect Account Information and Methods of Access - Our policy may require methods of verifying your identity before providing you with a service or allowing you access to your account. We can decide what identification is reasonable under the circumstances. For example, process and identification requirements may vary depending on whether they are online or in person. Identification may be documentary or physical and may include collecting a fingerprint, voiceprint, or other biometric information.

It is your responsibility to protect the account numbers and electronic access devices (e.g., an ATM card) we provide you for your accounts. You should also safeguard your username, password, and other access and identifying information when accessing your account through a computer or other electronic, audio, or mobile device or technology. If you give anyone authority to access the account on your behalf, you should exercise caution and ensure the trustworthiness of that agent. Do not discuss, compare, or share information about your account numbers with anyone unless you are willing to give them full use of your money. An account number can be used by thieves to issue an electronic debit or to encode your number on a false demand draft which looks like and functions like an authorized check. If you furnish your access device or information and grant actual authority to make transfers to another person (a family member or coworker, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized. Your account number can also be used to electronically remove money from your account, and payment can be made from your account even though you did not contact us directly and order the payment.

You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or

share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

Positive Pay and Other Fraud Prevention Services - Except for consumer electronic fund transfers subject to Regulation E, you agree that if we offer you services appropriate for your account to help identify and limit fraud or other unauthorized transactions against your account, and you reject those services, you will be responsible for any fraudulent or unauthorized transactions which could have been prevented by the services we offered. You will not be responsible for such transactions if we acted in bad faith or to the extent our negligence contributed to the loss. Such services include positive pay or commercially reasonable security procedures. If we offered you a commercially reasonable security procedure which you reject, you agree that you are responsible for any payment order, whether authorized or not, that we accept in compliance with an alternative security procedure that you have selected. The positive pay service can help detect and prevent check fraud and is appropriate for account holders that issue: a high volume of checks, a lot of checks to the general public, or checks for large dollar amounts.

40. REMOTELY CREATED CHECKS - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

41. TELEPHONIC INSTRUCTIONS - INSTRUCTIONS FROM YOU - Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission, email, voicemail, or phone call to a facsimile number, email address, or phone number not designated by us for a particular purpose or for a purpose that is unrelated to the request or instruction.

42. CLAIM OF LOSS - The following rules do not apply to a transaction or claim related to a consumer electronic fund transfer governed by Regulation E (e.g., an everyday/one-time consumer debit card or ATM transaction). The error resolution procedures for consumer electronic fund transfers can be found in our initial Regulation E disclosure generally titled, "Electronic Fund Transfers." For other transactions or claims, if you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

43. EARLY WITHDRAWAL PENALTIES (AND INVOLUNTARY WITHDRAWALS) - We may impose early withdrawal penalties on a withdrawal from a time account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by our setoff against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your separately provided notice of penalty for early withdrawal for additional information.

44. CHANGES IN NAME AND CONTACT INFORMATION - You are responsible for notifying us of any change in your name, address, or other information we use to communicate with you. Unless we agree otherwise, notice of such a change must be made in writing. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent information you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

45. RESOLVING ACCOUNT DISPUTES - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.

46. WAIVER OF NOTICES - To the extent permitted by law, you waive any notice of non-payment, dishonor or protest regarding any items credited to or charged against your account. For example, if you deposit an item and it is returned unpaid or we receive a notice of nonpayment, we do not have to notify you unless required by federal Regulation CC or other law.

47. HEALTH SAVINGS ACCOUNTS (HSA) - For your convenience, we permit you to take distributions from your HSA by check. This feature can raise a variety of tax concerns - for example getting additional cash back on an HSA checking transaction. As a result, if you have more than one account with us, it is a good practice to make sure you are using the appropriate checkbook for the transaction. Also, it is your responsibility to ensure your distributions and other actions related to the HSA comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA. The terms of this agreement are intended to work in conjunction with the HSA Agreement provided to you earlier. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

48. UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

49. FUNDS TRANSFERS - Unless otherwise required by applicable law, such as Regulation J or the operating circulars of the Board of Governors of the Federal Reserve System, this agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association and other funds-transfer system rules, as applicable. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by or other funds-transfer systems. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

50. INTERNATIONAL ACH TRANSACTIONS - Financial institutions are required by law to scrutinize or verify any international ACH transaction (IAT) that they receive against the Specially Designated Nationals (SDN) list of the Office of Foreign Assets Control (OFAC). This action may, from time to time, cause us to temporarily suspend processing of an IAT and potentially affect the settlement and/or availability of such payments.

51. QUESTIONS AND ANSWERS ABOUT CHECKING ACCOUNTS - Q. CAN YOUR CHECKING ACCOUNT BE CLOSED FOR MISUSE?

A. Yes. There is a provision in Minnesota law that permits financial institutions to close accounts due to overdrafts or NSF checks. Policies vary among financial institutions as to when an account will be closed for misuse. Closure usually requires 30 days written notice. However, when an account is in an overdraft position or the financial institution has reason to believe funds will not be collectible, immediate closing may take place.

Should your account be closed for NSF activity, Minnesota law prohibits any financial institution from opening a checking account for you for one year. Many financial institutions have set internal policies that expand the period of time to 5 years. All

financial institutions are required to verify whether or not you have had an account closed in the last year every time you apply for a new account.

Protect your checking account privileges. Always make sure that there are funds available in your account when you write a check and reconcile your account monthly. Maintaining an existing checking account is a lot easier than trying to go without an account.

Q. SHOULD YOU GIVE OUT YOUR CHECKING ACCOUNT NUMBER?

A. No. In the financial institution industry, there is an instrument called a "sight draft." A sight draft looks like a check but does not require a signature. It is payable immediately. Sight drafts have become one of the most common forms of fraud involving consumers. Once a criminal has your account number, they prepare a sight draft and run it through the clearing system for checks. The funds are out of your account before you are even aware of it and if you don't balance your account on a regular basis, you won't be aware of it. If you furnish the account number to a telemarketer, the case can be made that it was an authorized transaction. Never give your account number out over the telephone.

Q. WHEN CAN YOUR FINANCIAL INSTITUTION GIVE INFORMATION ABOUT YOUR ACCOUNT TO OTHERS?

A. From time to time, your financial institution may release the information necessary to inform you of new products or services. Other times, the financial institution may be legally required to release information. If your account is closed due to misuse on your part, the financial institution may be required to report that to a credit bureau. Other examples include:

- When verifying a check you wrote or authorizing an electronic withdrawal.
- When required by law or regulation or upon receipt of a court order, subpoena or search warrant.
- When your financial institution has an arrangement with another company to market its products or services to you.

52. NOTICE OF NEGATIVE INFORMATION

Federal law requires us to provide the following notice to customers before any "negative information" may be furnished to a nationwide consumer reporting agency. "Negative information" includes information concerning delinquencies, overdrafts or any form of default. This notice does not mean that we will be reporting such information about you, only that we may report such information about customers that have not done what they are required to do under our agreement.

After providing this notice, additional negative information may be submitted without providing another notice.

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.
